Terms of Reference:

- 1. The undersigned will comply with the Freedom of Information and Protection of Privacy Act (FIPPA), the Privacy Act and the Personal Information Protection and Electronic Documents Act (PIPEDA), and other relevant provincial legislations in which the networks' data reside.
- 2. The primary investigator is responsible for obtaining ethics approval for the project from his/her primary institution. Copy of such approval should be forwarded to the Maternal-Infant Care Research Centre (MiCare Research Centre).
- 3. The MiCare Research Centre will provide the undersigned with definitions and limitations of the data upon its release. The undersigned will provide the MiCare Research Centre with copies of final manuscripts intended to be published or distributed. Abstracts submitted for conference presentations could be reviewed by the MiCare steering committee but this responsibility is delegated to the Senior Investigator on the application. The MiCare steering committee has the authority to remove elements considered inappropriate for final manuscript publication or distribution.
- 4. In accordance with privacy regulations, the MiCare Research Centre will not provide raw data to any investigators. Only aggregate results will be provided and any small cell size (≤ 5) will be suppressed due to the risk of re-identification. Individual patient data can be released to investigators only after investigators obtained REB approval from participating site(s) for which they are seeking data.
- 5. The undersigned understands that s/he is responsible for maintaining the security and confidentiality of all information provided to them by the MiCare Research Centre. Results provided will be used by the undersigned only. The undersigned shall ensure that there is no unauthorized access to or modification of the results, misuse of results or breach of confidentiality. In the event that confidentiality of results or the security of any computer systems/networks is suspected to be jeopardized, the undersigned will notify the MiCare Research Center immediately.
- The undersigned will not use the information for any purpose other than the purposes described in this application. Secondary analysis requires additional request for approval.
- 7. The undersigned will appropriately reference the CIHR Team in Maternal-Infant Care and/or individual network(s) as the source of the data for all reports, presentations or publications using data from the MiCare Database.
- 8. Fees may be charged as defined in schedules to this Terms of Reference.
