Dear CNN Member;

Re: Nominations & Election for Open Executive Committee Positions

Nominations to CNN Executive Committee:

An election will be held in late November to fill four vacant Executive Committee positions. The Executive Committee sets network policies, oversees network activities and advises the Coordinator. At least one member of the Executive Committee must be from Western Canada and at least one member must be able to speak French. The vacant positions are for three-year terms. Any member of the Network may nominate her/himself or another member for election. Any existing or past Executive Committee members are also eligible for re-election. Nominations are open until **November 20th 2013**; please find the attached form for nominations. Once all nominations are in, each nominee's bio will be posted on the website and voting will be enabled for the Site Investigators for a 7-day period.

Election for CNN Executive Committee members:

Each hospital submitting data to the CNN Database may cast one vote through the designated Site Investigator.

Please send the completed nomination forms to Vinthiya Param (vparam@mtsinai.on.ca) or contact her if you have any questions.

Yours sincerely,

Prakesh Shah, MSc, MBBS, MD, DCH, MRCP, FRCPC
Director, Canadian Neonatal Network™
