

**Hospital Site Representative
Nomination Form**

Hospital:

Appointed Site Representative:

Address:

Tel:

Fax:

Email:

Terms of Reference:

Each hospital contributing data to the Canadian Neonatal Network™ database is eligible to appoint one site representative in the CNN.

The site representative will act as a liaison between the hospital and the CNN, and will represent the hospital concerning database issues and policy decisions in CNN. She/he will cast the hospital vote for the annual election of members of the CNN Steering Committee. Each hospital may be asked to re-confirm or re-appoint the site representative annually.
